enjoy the scenic trip to this fabulous playground from the only dome cars between Chicago and the Pacific Northwest—relax in air conditioned comfort and let the engineer do the speeding.

There's extra fun on the super-speed Olympian HIAWATHA—only one night from Chicago to Yellowstone Park. America's first full length domes with 68 individual lookout seats on the upper deck provide glorious views of the palisades of the Mississippi, the Belt Mountains, Montana Canyon and the source of the Missouri River near Three Forks. There is a delightful Cafe Lounge on the lower deck of the Super Dome car for beverages and snacks. Coach passengers are welcome in the entire car without extra cost.

Family fares give you very substantial savings and make the trip by rail even more attractive. Take advantage of them by starting your trip on a Monday, Tuesday or Wednesday. Sample fares for families of various sizes are quoted on the back of this folder.
